

Connecting Game

It can be fun and easy to connect with the children in your life. Have children cut up the activities and put them in a jar to pull from or have them pick a number between 1 and 12 (or roll a set of dice) and do the corresponding activity **together**.

1
Take a walk.

2
Read a book
(or chapter
of a book).

3
Imagine the perfect
vacation – where
would you go?
What would you do?

4

something
fun.

5
Learn a
new dance
move.

6
Share 3 words
that describe
yourself.

8

together.

9

Color
together.
