THE CELEBRATION ISSUE!!

From the Editor

Time to Celebrate, Give Thanks, and Bitter-Sweet Goodbyes!!

The July issue of the “*Milestones in Medical Education*” newsletter is always an issue full of celebrations and giving thanks. The previous two months since the last issue were filled with more reasons to celebrate. As we turn the page on another academic year, we have many reasons to celebrate, give thanks and recognitions, welcome a new crop of residents and fellows, and say a bitter-sweet goodbye to our graduating classes of 2012. Our MCH Medical Education crops of high-achieving professionals are proudly sent off to carry out the mission of caring for children of the nation and the world.

This is the **CELEBRATION ISSUE** full of acknowledgements and tributes:

- MCH was joined by the president-Elect of the AAP for the Ramon Rodriguez-Torres Annual Lectureship and Award Ceremony on June 8th 2012

- MCH bids farewell to a class of Residents, Fellows and Psychology Interns on June 8th, 2012.
- The Pediatric Dentistry Residency Program celebrated the graduation of its class on June 9th 2012.
- MCH welcomes our new Interns Class for Orientation June 12, 2012 (Class of 2015) and will welcome the new fellows on July 2, 2012.
- The 4th annual Residents’ Research Day was a successful showcase of academic endeavor and scholarly work on June 15th, 2012
- The residents’ class of 2012 celebrated Residents’ Day with humor and fun event

This is a time of the year that is filled with mixed

emotion of bitter-sweet celebrations and goodbyes but a great big thanks to program directors, teaching faculty, staff and coordinators, and the sponsoring divisions.

“You have brains in your head.

You have feet in your shoes.

You can steer yourself

In any direction you choose.

You’re on your own.

And you know what you know.

You are the guy who’ll decide where to go”

Dr. Seuss

It is really not goodbye, it is a new beginning of spreading MCH ambassadors in Pediatrics and welcoming new ones

Milestones in Residents' / Fellows' Recognition and Compliments Residents and Fellows' Team Efforts Toward a Smooth EMR Transition... Adapting to Change!!!

Transitioning to a fully paperless system in over 24 hours in all hospital areas is a monumental task that has significant potential negative impacts on patient safety, staff frustration, errors, and service.

The Department of Medical Education is proud to acknowledge the teamwork, communication, help, initiative, and leadership that were exemplified by the MCH fellows and residents to ensure smooth transition. Everyone worked collaboratively

with the implementation teams. The different services acknowledged the efforts. Below is a list of selected kudos..

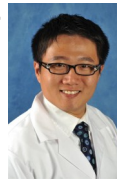

Dr. Bala Totapally & the Division of Critical Care Medicine commended the trainees rotating in the PICU in late April including the team of: **PICU residents, the ER Fellow Dr. Megan Carns, and the PICU Fellows** for their hard work and teamwork to ensure a smooth transition to EMR.

Dr. Felix Ramirez acknowledged

Dr. Will Geng

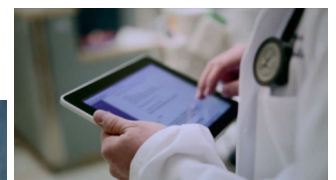

and

Dr. Ajay Kasi for their help and efforts during the EMR transition

Dr. Gloria Riefkohl acknowledged the leadership and hard work displayed by **Dr. Jennifer Berger** as a team leader in the PCC during the EMR transition.

**Milestones in National Spotlight:
MCH Residents & Fellows Showcase Their Scholarly Activities Globally**
